PROJECT DESCRIPTION

This project, to be carried out by Canopy, involves planting 400 trees at Ravenswood School District schools within East Palo Alto and the Belle Haven area of Menlo Park. It is anticipated that this project will commence in April of 2012, and be completed by March 2014. Trees will be native and non-native ornamentals that have been selected for their disease resistance, adaption to the urban landscape, shade capacity, and minimal litter production. Trees will be planted using 15 gallon commercial stock. All trees will be planted, staked and tied, watered and maintained in accordance with CAL FIRE guidelines.

EXEMPTION STATUS

- ☒ Categorical Exemption Type/Section: Class 4 15304 Minor Alterations to land
☐ Statutory Exemption (state code section):
☐ Ministerial (§21080(b)(1); 15268)
☐ Declared Emergency (§21080(b)(3); 15269(a))
☐ Emergency Project (§21080(b)(4); 15269(b)(c))

REASONS PROJECT IS EXEMPT

As lead agency under CEQA, the California Department of Forestry and Fire Protection finds that this project is Categorically Exempt from further environmental review. This project involves minor alterations to land and vegetation including the planting of new landscaping trees. As this is a heavily disturbed urban environment there is a low likelihood of impacting any significant resources; including cultural, historic, and biological resources. CAL FIRE finds that the proposed activities will pose a less than significant impact to the environment.

PROJECT DESCRIPTION

This project, to be carried out by the North East Trees, involves planting 500 trees at fourteen facilities in the City of Los Angeles. It is anticipated that this project will commence in April of 2012, and be completed by March 2014. Trees will be native and non-native ornamentals that have been selected for their disease resistance, adaption to the urban landscape, shade capacity, and minimal litter production. Trees will be planted using 15 gallon commercial stock. All trees will be planted, staked and tied, watered and maintained in accordance with CAL FIRE guidelines.

REASONS PROJECT IS EXEMPT

As lead agency under CEQA, the California Department of Forestry and Fire Protection finds that this project is Categorically Exempt from further environmental review. This project involves minor alterations to land and vegetation including the planting of new landscaping trees. As this is a heavily disturbed urban environment there is a low likelihood of impacting any significant resources; including cultural, historic, and biological resources. CAL FIRE finds that the proposed activities will pose a less than significant impact to the environment.
